

PM Kisan New Farmer Registration

Instructions to NGO workers:

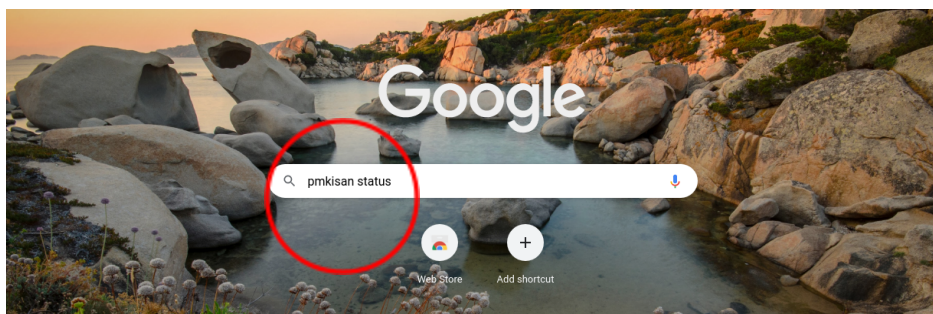

- Ensure that the farmers are not already registered in PM KISAN before you try to register them through the self-registration method.
- We need to verify that no other farmer has been registered with the mobile number which is used as part of the new registration process under the PMKISAN scheme.
- According to PMKISAN document, the phone number does not have to be linked to Aadhaar in order to register.
- Please note that the farmers, who are receiving Rythu Bharosa benefits under the following criteria
 - ROFR farmers
 - Tenant Farmers
 - Death Nominee under Revenue Land Farmersare not eligible for the PMKISAN scheme.
- Ensure that you are in a good network area/ connected to a good network to avoid any interruption in the registration process
- Note that all the farmers with a patta for their revenue land are eligible to receive PM KISAN, even if their name didn't show up in Rythu Bharosa beneficiaries list.

How to find out if farmer is registered with PM KISAN:

There are two ways to find out if farmer is registered on the PMKISAN website:

1. Check the “Beneficiary status” with Aadhaar and mobile number.
2. Check the “Status of Self Registered Farmer / Through CSC” with Aadhaar.

1. Checking the “Beneficiary status” with Aadhaar and mobile number:

Step 1: Go to **Google** as shown above and search for PM KISAN status.

Step 2: Click on the link “Beneficiary Status - PM Kisan” as shown below and the “Beneficiary Status” page will open.

The screenshot shows a Google search for "pmkisan status". The search results list several links, with the first one, "Beneficiary Status - PM Kisan" from "https://pmkisan.gov.in", highlighted with a red circle. Below the search results, the PM-Kisan Samman Nidhi website is displayed. The website header includes the Government of India emblem and the text "PM-Kisan Samman Nidhi", "Department of Agriculture and Farmers Welfare", and "Ministry of Agriculture & Farmers Welfare". A navigation bar contains a "<< HOME" link. The main content area is titled "Beneficiary Status" and features three radio buttons: "Aadhar Number" (selected), "Account Number", and "Mobile Number". Below these is a text input field labeled "Enter Adhar" and a green "Get Data" button. The "Enter Adhar" field is highlighted with a red circle. The footer of the website includes a "Disclaimer", the text "Designed, developed and hosted by National Informatics Centre", and the "Digital India" logo with the tagline "Power To Empower".

Step 3: Select Aadhaar Number to enter the farmer's Aadhaar and click on the "Get Data" button as shown above

For all the farmers that are not registered in the PM KISAN portal, the following message will be displayed **"Either details are not registered in the portal or rejected due to wrong details."**

PM-Kisan Samman Nidhi
Department of Agriculture and Farmers Welfare
Ministry of Agriculture & Farmers Welfare

Step4:

How to do confirmation that another farmer is registered with the mobile number which is being used as part of the registration process:

As checked with Aadhaar in Step3, enter the farmer's mobile number and click on the "Get Data" button as shown below "Either details are not registered in the portal or rejected due to wrong details." Should come.

2. Checking with Aadhaar Number through “Status of Self Registered Farmer Through CSC”:

Step 1: Go to google as shown below and search for pmkisan.gov.in.

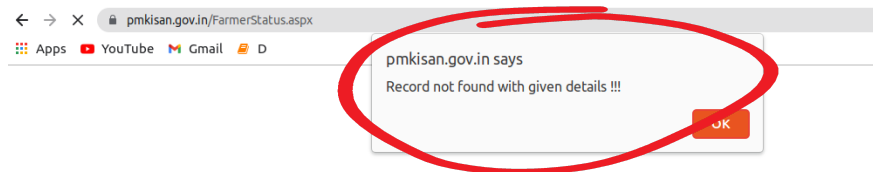

Step 2: Search for “pmkisan.gov.in” then the pmkisan home page will open as shown below.

Step 3: Click on the “Status of Self Registered Farmer / Through CSC” option in the “Farmer Corner” portal on the home page above and the page will open as shown below:

The screenshot shows the PM-Kisan Samman Nidhi website. The header includes the Government of India logo, the text 'PM-Kisan Samman Nidhi', and the Department of Agriculture and Farmers Welfare. Below the header, there is a navigation bar with '<< HOME'. The main content area is titled 'Status of Self Registered Farmer/Through CSC'. It contains two input fields: 'Aadhaar No.' and 'Image Text'. The 'Image Text' field has a value 'wATNqJ' and a refresh icon. A 'Search' button is located to the right of the input fields. At the bottom, there is a disclaimer and the Digital India logo.

When check with Aadhaar on the page shown above, it should come as “Record not found with given details” as mentioned below:

Then we can proceed to register this farmer as shown in the following steps.

Documents to be included and precautions to be taken with regard to mobile number:

1. Before we continue further NGO workers/volunteers should keep the following documents ready in PDF format and the size should be less than or equal to 50 KB.

1. Aadhaar
2. Revenue Land Passbook
3. Bank Passbook
4. Ration Card

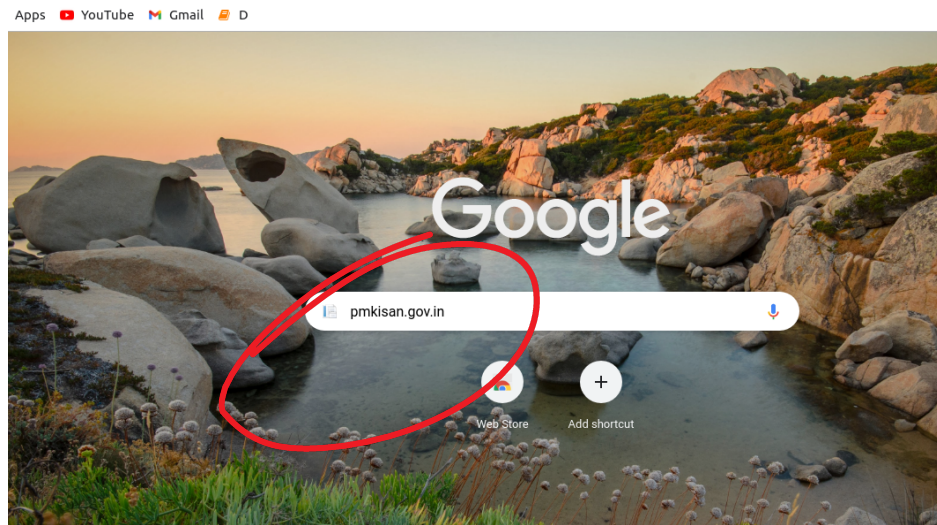

2. The farmer's phone must be with us at the time of registration (for entering OTP)

(Note: As mentioned earlier you need to know if anyone is registered with the phone number you are entering)

How to register a new farmer with pmkisan:

Proceed to the **PMKISAN** website home page as shown below:

Step 1: Go to Google as shown below and search for pmkisan.gov.in.

Step 2: Click on "Search for pmkisan.gov.in" and the shown **Pmkisanbelow**. home page will open

Step 3: Click on the “New Farmer Registration” option in the “Farmer Corner” portal on the home page above and the “New Farmer Registration Form” page will open as shown below:

New Farmer Registration Form:

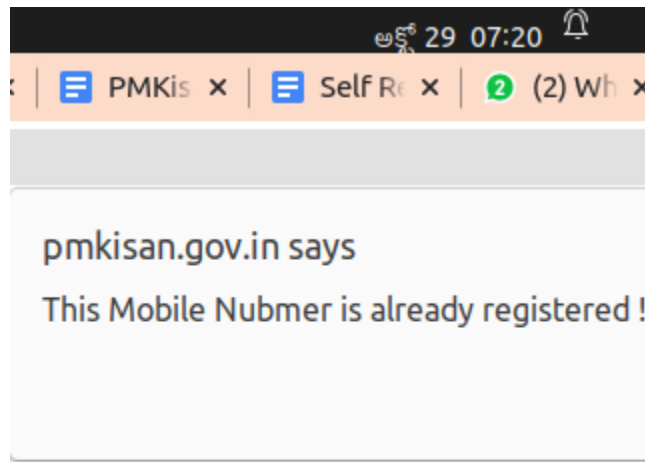

The screenshot shows the 'New Farmer Registration Form' interface. At the top, there's a green header with the title. Below it, a 'Select Language' dropdown is set to 'English'. There are two radio buttons: 'Rural Farmer Registration' (selected) and 'Urban Farmer Registration'. The form fields include: 'Aadhaar No.' with value '824398236646', 'Mobile Number' with value '6303327820', 'Select State' with a dropdown showing 'ANDHRA PRADESH', and 'Image Text' with value '9Buy8F'. A 'Send Otp' button is at the bottom. On the right, there are three instructions: '* Enter Your Aadhaar Number.', '* Your Aadhaar will be authenticated with UIDI. You Will be able to proceed only if your aadhar is authenticated', and '* Enter Your Personal Details'.

Step 4: How to fill up the New Farmer Registration Form:

In the above shown “**New Farmer Registration Form**”, After entering the farmer's Aadhaar, phone number and image code , click on the "Send otp" button and the OTP will be sent to the previously given farmer's phone number and it will ask to enter the OTP as shown below.

This screenshot shows the same form as before, but with additional elements. The 'Enter OTP' field is now visible below the 'Select State' dropdown. A red circle highlights the 'Submit' button, and a red arrow points to it with the text 'OTP has been sent to your mobile number !!'. The 'Image Text' field still shows '9Buy8F'. The 'Send Otp' button has been replaced by a 'Resent OTP' link. The footer contains a 'Disclaimer', the text 'Designed, developed and hosted by National Informatics Centre', and the 'Digital India' logo.

Note : If any other farmer have registered through self registration with this mobile number a message like “This Mobile Number is already registered !!” will be displayed as shown below. You have to try with another number.

Step 5: Entering OTP:

A screenshot of the PMKISAN registration form on a desktop browser. The form is titled 'Rural Farmer Registration' and 'Urban Farmer Registration'. It contains several input fields: 'Aadhaar No.' (824398236646), 'Mobile Number' (6303327820), 'Select State' (ANDHRA PRADESH), 'Enter OTP' (empty), 'Image Text' (Image Code), and a CAPTCHA image showing '9Buy8F'. A red arrow points to the 'Enter OTP' field. Below the CAPTCHA, a red message states 'OTP has been sent to your mobile number !!'. A blue 'Submit' button is at the bottom. The footer includes a disclaimer, the text 'Designed, developed and hosted by National Informatics Centre', and the 'Digital India' logo.

In the page shown above, enter the OTP of the farmer's phone number and the image code there and click on the Submit button. The page will open as follows
