PM Kisan New Farmer Registration

- Ensure that the farmers are not already registered in PM KISAN before you try to register them through the self-registration method.
- We need to verify that no other farmer has been registered with the mobile number which is used as part of the new registration process under the PMKISAN scheme.
- Aadhaar should be linked with a phone number in order to register.
- Please note that the farmers, who are receiving Rythu Bharosa benefits under the following criteria
  - ROFR farmers
  - Tenant Farmers
  - Death Nominee under Revenue Land Farmers
  are not eligible for the PMKISAN scheme.
- Ensure that you are in a good network area/ connected to a good network to avoid any interruption in the registration process
- Note that all the farmers with a patta for their revene land are eligible to receive PM KISAN, even if their name didn't show up in Rythu Bharosa beneficiaries list.

Documents to be uploaded and precautions to be taken with regard to mobile number:

1. Before we continue further, NGO workers/volunteers should keep the following documents ready in PDF format and the size should be less than or equal to 50 KB.
   1. Aadhaar
   2. Revenue Land Passbook
   3. Ration Card

2. The farmer's phone must be with us at the time of registration (for entering OTP)
   (Note: As mentioned earlier you need to know if anyone is registered with the phone number you are entering)

How to find out if farmer is registered with PM KISAN:

There are two ways to find out if farmer is registered on the PMKISAN website:
1. Check the"Beneficiary status" with Aadhaar and mobile number.
2. Check the "Status of Self Registered Farmer / Through CSC" with Aadhaar.

1. Checking the"Beneficiary status" with mobile number:
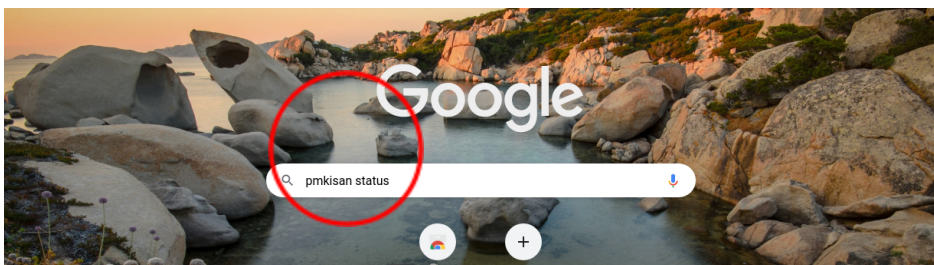

Step 1: Go to **Google** as shown above and search for PM KISAN status.

Step 2: Click on the link "**Beneficiary Status - PM Kisan**" as shown below and the "**Beneficiary Status**" page will open.

Step3:

How to do confirmation that this farmer is registered

1.With Mobile Number which is being used as part of the registration process:

As checked with Aadhaar in Step3, enter the farmer's mobile number and click on the "Get Data" button.

It should be shown like "Either details are not registered in the portal or rejected due to wrong details."as below:

BENEFICIARY STATUS

2. Checking with Aadhaar Number through "Status of Self Registered Farmer / CSC Farmer":

Step 1: Go to google as shown below and search for pmkisan.gov.in.
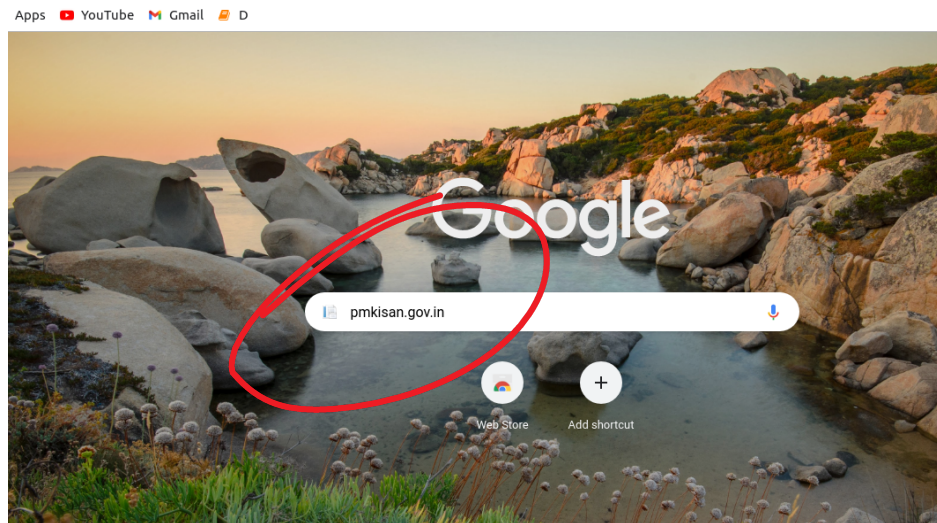

Step 2: Search for "pmkisan.gov.in" then the pmkisan home page will open as shown below.

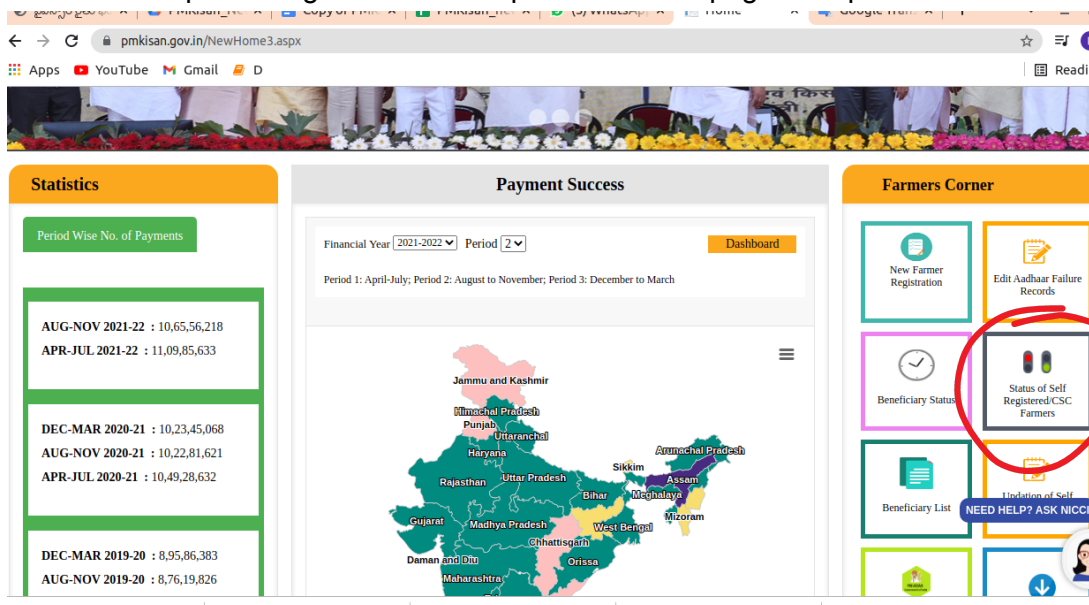

Step 3: Click on the "Status of Self Registered Farmer / Through CSC" option in the "Farmer Corner" portal on the home page above and the page will open as shown below:

When check with Aadhaar on the page shown above, it should come as "Record not found with given details" as mentioned below:

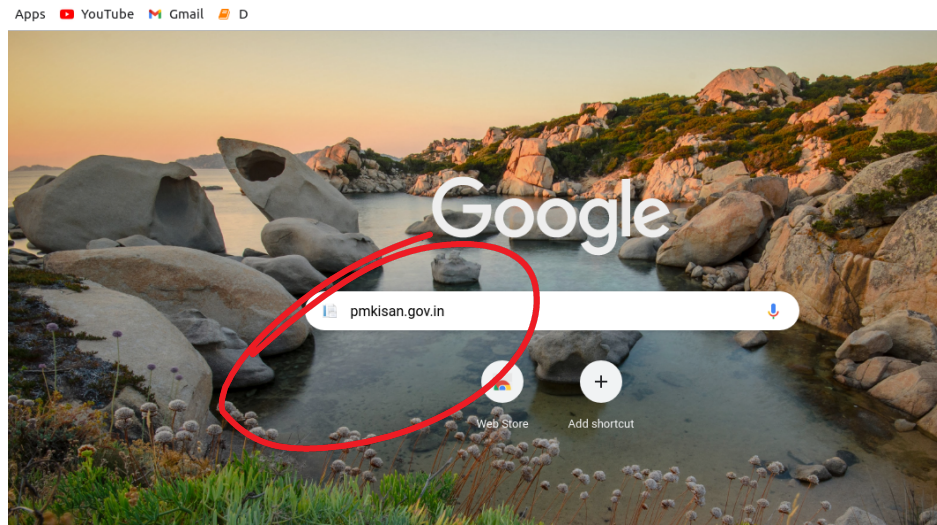

Then we can start the process of self registration in the pmkisan website as shown below .

How to register a new farmer with pmkisan

Proceed to the **PMKISAN** website home page as shown below:

Step 1: Go to Google as shown below and search for pmkisan.gov.in.

Step 2: Clcik on "Search for pmkisan.gov.in" and the shown **Pmkisanbelow.** home page will open

Step 3: Click on the "New Farmer Registration" option in the "Farmer Corner" portal on the home page above and the "New Farmer Registration Form" page will open as shown below:

<u>New Farmer Registration Form:</u>

Step 4: How to fill up the New Farmer Registration Form:

In the above shown "**New Farmer Registration Form",** After entering the farmer's Aadhaar, phone number and image code , click on the "Send otp" button and the OTP will be sent to the previously given farmer's phone number and it will ask to enter the OTP as shown below.

Note :If any other farmer was registered through self registration with this mobile number a message like "This Mobile Number is already registered !!" will be displayed as shown below. You have to try with another number.
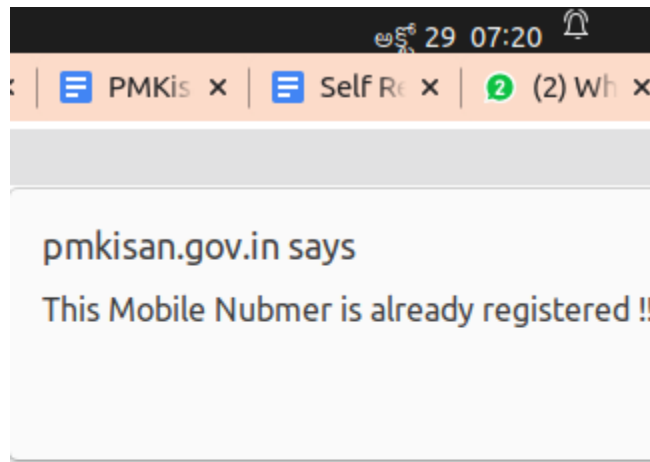

Step 5: Authentication through OTP

In this page ,we have to enter OTP twice as follows:
- First OTP will be sent to mobile number which is entered as shown in the picture1
- Second OTP will be sent to Aadhaar linked phone number as shown in in the picture2.

picture1:

In the page shown above, enter the OTP sent to the farmer's phone number and the image code there and click on the Submit button.
